**The Convention on the Civil Aspects of International Child Abduction, done  
at The Hague on October 25, 1980; International Child Abduction Remedies  
Act, 22 U.S.C. 9001 *et seq.***

1. Petitioner, Isaac Buahnik (the “Father”) files this Consent Motion  
seeking an Order from this Court requiring the Clerk of this Court to anonymize the

1 case caption by replacing the parties' names with their initials in all publically  
2 accessible court records.

3 2. Special circumstances warrant the need for the anonymity of the parties.

4 3. This is a Hague Convention case which contains highly personal and  
5 sensitive allegations relating to the custody and care of a minor child, and it is in the  
6 best interests of the minor child that the parents' identities be anonymized.

7 4. There will be no prejudice to the Respondent, Inbal Buahnik (the  
8 "Mother"), who is now self-represented and consents to the relief requested herein.

9 5. The public has little, if any, continuing interest in the identities of the  
10 parties to this case which was amicably resolved and dismissed on January 12, 2022  
11 two (2) weeks after it was filed.

12 6. To the extent that there may exist any public interest in these  
13 proceedings, the need for the parents' anonymity, which is in the best interests of the  
14 minor child, greatly outweighs the public's interest in having access to the parents'  
15 identities.

16 7. In support of this Consent Motion, the Petitioner adopts and  
17 incorporates the accompanying Memorandum of Points and Authorities filed  
18 herewith.

19 **WHEREFORE**, the Petitioner respectfully requests the following relief:

1           A.     That the identities of the parties, Isaac Buahnik and Inbal Buahnik, be  
2 anonymized by substituting their initials in place of their actual names in the caption  
3 for this matter in all publically accessible court records; and

4           B.     That this Court grant such other and further relief as justice and its cause  
5 require.
